

2026 Arizona General Election Ballot Measures

Prepared July 7, 2026

Prepared by Chad Heinrich, Managing Partner, Heinrich Public Affairs

Arizona voters are expected to decide up to 11 statewide ballot measures this November, though pending legal challenges could affect the final list. Ten were referred directly by the Legislature, and one citizen initiative is expected to qualify following its July 2 signature submission. Below is a one-sentence summary of what each measure seeks to accomplish..

Legislative Referrals — Passed in the 2025 Regular Session (3 measures)

HCR2021 — Cap Municipal Grocery Tax at 2%

Summary: Caps existing city/town grocery taxes at 2% and requires voter approval before any city can raise a food tax above that level.

HCR2055 — Formally Designate Drug Cartels as Terrorist Organizations

Summary: Directs the state to formally designate drug cartels as terrorist organizations and respond using available state enforcement tools.

SCR1004 (2025) — Prohibit Mileage-Based Taxes and Tracking

Summary: Constitutional amendment barring state and local governments from imposing a tax or fee based on vehicle miles traveled, or enacting rules to monitor or limit vehicle miles traveled without the driver's voluntary consent.

Legislative Referrals — Passed in the 2026 Regular Session (7 measures)

HCR2001 — Voter ID, Citizenship Verification, and Early Ballot Deadline Amendment

Summary: Constitutional amendment limiting voting in Arizona elections to U.S. citizens, prohibiting foreign contributions to candidate and ballot measure campaigns, requiring government-issued identification to vote by any method, and providing that voters have the option to have their ballot tabulated at their voting location. Applies to elections beginning in 2028.

HCR2003 — Require Sex-Based Designation of School Athletic Teams and Facilities

Summary: Statutory measure requiring K-12 and higher-education athletic teams to be designated male, female, or coeducational based on biological sex, barring male athletes from female-designated teams, and restricting locker room, restroom, and shower access to the space designated for an individual's sex.

HCR2040 — Prohibit Public Fund Use for School District Labor Organizations

Summary: Constitutional amendment prohibiting school districts from using public funds or resources to support labor organizations and barring the state or political subdivisions from entering collective bargaining agreements on school district employees' behalf, with disputed scope over whether the broader prohibition could extend to other public-sector unions.

HCR2044 — Prohibit State Use of Race or Ethnicity in Public Education, Employment, and Contracting

Summary: Constitutional amendment prohibiting the state from compelling or spending public funds on promoting, giving preferential treatment to, or discriminating against any individual on the basis of race or ethnicity, including in public education, employment, and contracting.

HCR2048 — Military Family ESA / Empowerment Scholarship Protection Act

Summary: Constitutional amendment barring the state from revoking or reducing Empowerment Scholarship Account funds from military families, while also voiding any conflicting voter-approved measure passed after November 1.

SCR1004 (2026) — Require Voter Approval for Photo Enforcement Cameras

Summary: Statutory measure requiring cities to get voter approval to keep operating photo-radar/red-light camera systems, with mandatory revotes every 10 years.

SCR1032 — Require 60% Instructional Spending for Large School Districts

Summary: Statutory measure requiring school districts with at least 7,500 students, or that operate in a county with a population of at least 500,000, to spend at least 60% of operational spending on direct instruction, with escalating reductions to a district's Classroom Site Fund allocation for continued noncompliance.

Citizen Initiative — Expected to Qualify (1 measure)

Empowerment Scholarship Account Eligibility and Oversight Initiative

Summary: Statutory initiative adding an income cap and stricter oversight (background checks, vendor registration, testing requirements) to the Empowerment Scholarship Account voucher program.

Note: Several of these measures face pending or anticipated legal challenges that could affect their final ballot status. This resource reflects information publicly available as of July 7, 2026, and will be updated as developments warrant.
